of online businesses allowed  
to continue operating?**

Yes, they are excluded from the restriction for being a vital sector.

**Could families and vehicles  
cross Dubai to/ from Abu Dhabi,  
or to /from Sharjah?**

Yes, it is allowed only under exceptional circumstances and only via Emirates Road (Dubai Bypass Road).

**Are fishermen allowed to  
pursue work?**

Yes, as they are vital for supplying the market with fish.

**I own livestock, how can I  
feed them?**

Delivering cattle feed or feeding livestock are allowed, as well as visiting veterinary clinics.

**Are Laundry Service Providers  
associated with the sterilisation  
operations exempted from the  
restriction?**

Yes, they are excluded from the restriction for being a vital sector.

**Should authorised individuals  
carry any legal documents or  
proofs?**

Yes. It is essential to present legal proof or permit in case the individual is stopped by a police patrol or captured by the radar.

**What will happen if individuals  
do not respect movement  
restrictions?**

Anyone violating the restrictions will face stringent legal action. The compliance of all people is vital to the success of measures to combat the virus and ensure the highest levels of protection.

**If I'm working in one of the vital sectors which are exempted from the restrictions, can I go to work?**

Employees working in vital sectors are exempted from restrictions and permitted to leave their house at any time of the day to commute to work. A proof of identification and work ID must be with you.

**What forms of public transportation are allowed during this period?**

Buses and taxis only. Dubai metro services have been suspended.

**Will you increase testing for  
COVID-19 in Dubai?**

Extensive medical tests will be conducted across densely populated areas of Dubai to ensure members of the community are free from COVID-19 infection.

**You mentioned vital sectors and support sectors. What about employees working in support sectors?**

Employees are permitted to work between 8:00 AM and 2:00 PM if they are working in banking and financial services including exchange centres. Laundry services (for permitted outlets) and maintenance services.

**How will these restrictions  
affect food retail outlets and  
pharmacies?**

Food retail outlets, such as Union cooperative stores and supermarkets, as well as pharmacies and food and medicine deliveries are allowed to operate as usual. However, when shopping for essential needs; only one family member is permitted to leave the house for this purpose.

**Any other advice when going out?**

All people leaving home should wear a face mask, gloves and ensure they keep a safe distance from others.

**Can you summarise this new  
announcement?**

The National Sterilisation Programme in Dubai will be extended to 24 hours a day across all areas and communities in the emirate for a period of two weeks subject to renewal. Individuals will not be allowed to leave the house, except for essential purposes or if they are working in vital sectors exempted from the restrictions

**Why have the restrictions been intensified?**

Intensified restrictions on the movement of people and vehicles are adopted to help protect the health and safety of the community. These restrictions help our efforts in combating COVID-19.

**Do I need a movement permit  
to leave the house?**

All members of the public and employees in vital & support sectors ,that have been exempt from restrictions,must apply for a movement permit
